As per the procedure in vogue, stores initially received in the Depots are inspected, accounted for and subsequently stored in sheds. This being an ongoing process, a percentage of serviceable inventory, therefore will be lying in the open at any given time for a prescribed and limited period.

Instructions have been issued to all concerned to ensure storage of serviceable inventory in covered accommodation.

To streamline the functioning of Ordnance Depots, it has been decided to modernise all the seven Central Depots in phases.

Chinese road in Indian territory

2716. SHRI CM. IBRAHIM:
SHRI PARMESHWAR KUMAR AGARWALLA:
SHRI V.P. DURAISAMY:
SHRI W. ANGOU SINGH:

Will the Minister of DEFENCE be pleased to state:

(a) whether China has lately constructed a road stretching almost 5 km. into Indian territory across the line of Actual Control in Ladakh;

(b) if so, Government's reaction and response thereto, by way of preventing and removing the encroachments; and

(c) what concrete steps Government have taken to broach the subject with Beijing?

THE MINISTER OF DEFENCE (SHRI JASWANT SINGH): (a) to (c) India and China have differing perceptions of the Line of Actual Control (LAC) in Pangong Tso area (Ladakh), as in some other areas on the India-China boundary. Since last several years, the two sides have been involved in the clarification of the LAC. Pending clarification of the LAC, both India and China have been carrying out normal border management activities including patrolling upto their respective perception of the LAC in the area. As a part of such activities, the Chinese had recently developed a track on the Northern Bank of Pangong Tso in Ladakh.

We have lodged protests with the Chinese side against their activities in the Pangonge Tso, at local levels, through the established mechanisms of Flag Meetings/Border Personnel Meeting and also
